

Certification examinations are conducted each year during the LEIU/IALEIA Annual Training Event. Additional examinations can be held regionally. Contact [certification@ialeia.org](mailto:certification@ialeia.org) to find out how.

**IALEIA**  
INTERNATIONAL ASSOCIATION OF LAW  
ENFORCEMENT INTELLIGENCE ANALYSTS

## ***IALEIA Certification***

The **Law Enforcement Analytic Standards** booklet states:

*Analysts should be certified by completing a program specifically developed for intelligence analysts, provided and certified by an agency or organization (governmental, professional association, or institution of higher learning). Such analytic certification programs shall reflect practitioner experience, education, training, knowledge of adult instructional techniques, and proficiency testing.*

## ***Benefits of Becoming a Criminal Intelligence Certified Analyst***

- **Measures** competence and experience
- **Recognizes** professional abilities and skills
- **Promotes** professionalism and leadership
- **Encourages** continuing participation, education, and contributions to the criminal intelligence analysis profession
- **Demonstrates** analytic credibility
- **Institutionalizes** the criminal intelligence analysis profession
- **Recognizes** and legitimizes the role of the criminal intelligence analyst in law enforcement
- **Supports** the position of criminal intelligence analyst as a professional occupation
- **Credentials** analysts with an international status (CICA)

Visit the IALEIA website [www.ialeia.org](http://www.ialeia.org) for additional information on the certification process, examination preparation, and accepted pre-requisite classes.
